

Welcome to Lebanon Country Club. The most successful private clubs are those built around the foundation of enduring relationships and social camaraderie between friends and associates. With that in mind, we are in the midst of a very exciting membership initiative.

Now more than ever, the value of connection and a sense of community is something that our members value and share with friends and colleagues. We hope the fact that Lebanon Country Club has always provided a safe, secure and friendly environment that reinforces our social existence will appeal to you and your family.

Our Members enjoy a responsible private club environment surrounded by friends and family that allows you to enjoy our club while sharing common interests with those who share a passion for the game of golf. We invite you to visit our Club and look forward to extending a warm welcome upon your arrival.

Respectfully,
Board of Governors
